GUIDELINES

- Be in a quiet area. No distractions, like roommates, animals, televisions, children.
- If (when) you are transferred to voice mail, know what you are going to say.
- If you are caught off guard and don't know what to say (shame on you!!), then hang up and don't leave a message.
- SMILE when you talk.
- Begin with your name and that they should have received your package
- Don't say too much...people are too busy and they won't listen.
- Say when you will call back and invite them to call you at your phone number.
- Say your number again.
- Wish them a great day. SMILE.
- CALL BACK AT THE TIME YOU TOLD THEM.
